

## Volunteers needed for Sandgate Historical Museum Project

The museum is exploring our local heritage by examining and interpreting the extensive collection of heritage photographs held in the museum archives, as the first step towards digitising the collection.

The project will take place as a collaborative group exercise at the museum with full guidance given.

- No experience is necessary
- No computer skills are necessary
- Flexible time schedule to suit you
- It will be an enjoyable and worthwhile experience

If you are interested please **contact Pam on 0410327095** to find out more details.
