**THREE WELL KNOWN  
AUSTRALIANS**

The artwork “Three Well Known Australians” by Martin Shaw illustrates 3 famous Australians- but who are they?

The painting is intended to tour for generations – the timeless painting.

The painting has been touring Australia since 1983 – 222 venues, and now is coming to the Sandgate Museum in July.

The public are encouraged to “capture the spirit” of the Three Australians in the painting and write down their opinion into the 2020 Brisbane Yearbook. The names recorded in the yearbooks form a social commentary of the changing face of Australia.

The Yearbooks form a *portrait of Australia*.
